

Maximilian Wolf, M.Sc.

Senior IT Consultant · Software Engineer & Fullstack Developer

Currently at Exxeta AG. Focused on backend and cloud-native development — Java and Spring on Azure, microservice architectures, and GitOps-driven delivery. Passion for solving problems the easy way.

📍 Karlsruhe, Germany

🏢 Experience

🏢 <u>Exxeta AG</u>	Jul 2019 – Present
Senior IT Consultant	Apr 2026 – Present
IT Consultant	Jan 2024 – Apr 2026
Associate IT Consultant	May 2022 – Jan 2024
Working Student	Jul 2019 – May 2022

🔒 CLIENT ENGAGEMENTS

Automotive Leasing Platform	May 2022 – Apr 2026
------------------------------------	---------------------

- Contributed to the design and implementation of scalable accounting processes within a cloud-native microservice architecture, fully operated on Azure and governed by GitOps principles.
- Built event-driven integrations on Apache Kafka and Azure Service Bus, delivered with GitHub Actions, Helm, and Terraform across multi-stage environments.
- Supported the live system, including incident management and observability with Application Insights, Log Analytics, and Splunk.

Java · Spring Boot · Spring Framework · Spring WebFlux · Spring Cloud · Hibernate · PostgreSQL
· Apache Kafka · Azure Service Bus · Apache Camel · Microsoft Azure · Azure Kubernetes Service (AKS)
· Azure Key Vault · Azure Blob Storage · GitHub Actions · Helm · Terraform · Azure Application Insights
· Azure Log Analytics · Splunk · SonarQube · JUnit · Mockito

Working Student

Designed and built online financial solutions as a working student — hands-on experience complementing computer-science studies.

Skills

BACKEND	<u>Java</u> · <u>Spring Boot</u> · <u>Spring Framework</u> · <u>Spring WebFlux</u> · <u>Spring Cloud</u> · <u>Hibernate</u> · <u>Rust</u> · <u>PostgreSQL</u>
---------	--

MESSAGING	<u>Apache Kafka</u> · <u>Azure Service Bus</u> · <u>Apache Camel</u>
-----------	--

CLOUD & INFRASTRUCTURE	<u>Microsoft Azure</u> · <u>Azure Kubernetes Service (AKS)</u> · <u>Azure Key Vault</u> · <u>Azure Blob Storage</u>
------------------------	--

DEVOPS & CI/CD	<u>GitHub Actions</u> · <u>Helm</u> · <u>Terraform</u>
----------------	--

OBSERVABILITY & QA	<u>Azure Application Insights</u> · <u>Azure Log Analytics</u> · <u>Splunk</u> · <u>SonarQube</u> · <u>JUnit</u> · <u>Mockito</u>
--------------------	--

SPECIALIZATIONS	<i>Software Architecture · System Integration · Cloud Native Development</i>
-----------------	--

Education

Master of Science, Computer Science

Feb 2019 – Apr 2022

Karlsruhe University of Applied Sciences

Grade 1.6 · Thesis 1.0

Bachelor of Science, Computer Science in Media

Sep 2015 – Feb 2019

Furtwangen University

Grade 1.3 · Thesis 1.8

Fachabitur (Advanced Technical College Certificate)

2010 – 2012

Kaufmännisches Berufskolleg Fremdsprachen, Berufliche Schulen Bretten

🏆 Certificates & Awards

iSAQB® CPSA FLEX

Feb 2025

iSAQB — International Software Architecture Qualification Board

iSAQB® CPSA Foundation Level

Apr 2024

iSAQB — International Software Architecture Qualification Board

[Verify credential](#)**Computer Science Award**

Jan 2018

Furtwangen University

For outstanding achievements in project studies — developing an AR app for virtual shoe fittings (summer 2017 and winter 2017/18).
